

Slogans for Valley Come in Flood As End of Big Contest Draws Near

With the end of the Arizona Republican-Chamber of Commerce slogan-design contest but two days away, interest in the event is at high pitch, as indicated by the flood of entries received in yesterday's mail by the contest editor. Contestants from every corner of the state have entered.

The contest for the two \$25 cash prizes will come to an official close at midnight Sunday, May 15. All entries mailed before midnight tomorrow night and so postmarked will be entered in the contest upon their arrival in Phoenix, whether mailed from Holbrook or Bisbee. A period of 24 hours is being allowed by the judges for these entries to arrive, but should they be delayed they will be considered upon receipt.

More interest is being manifested in this contest than any ever heretofore waged by the Arizona Republican. Hundreds of entries have already been received and each succeeding mail brings scores of others.

As an indication of the state wide interest being shown, the contest editor has received slogans and designs from practically every city and town in Arizona. Some of the entries bear postmarks of towns heretofore unknown to the contest editor.

A majority of the contestants have entered both contests, although several have entered either the slogan or design contest alone. But two first prizes are being offered, \$25 to the winner of the slogan contest and \$25 to the winner of the design contest. Under the terms of the contest both prizes can be awarded to the same entrant.

All entries should be mailed to the contest editor, Arizona Republican.

STUDEBAKER

This car is in first class mechanical condition. Upholstering in good condition. New \$125 leather top. This car must be sold within the next three days. If you are looking for a car for good service, one that is absolutely dependable and at a bargain price—be sure to see this car.

MOTOR SALES CO.
248 N. 1st St. Phone 1701

Contestants should place their entries in the mail at the earliest possible hour and avoid the final rush. The advertising committee of the chamber of commerce will serve as judges in the contest. Judging of the entries will start at noon, Tuesday, May 17, and names of the winners will be published in Sunday morning's Arizona Republican, May 22. Checks will be mailed to the winners Monday morning, May 23.

D. E. S. BASKET PICNIC AT RIVERSIDE TODAY

The first big celebration of the members of the Order of the Eastern Star will be held at Riverside park this afternoon when the organization will stage a basket picnic to which the families and house guests of members are invited, as well as all members, visiting and local, of the order.

A special invitation has been extended to the members of the order from Glendale, Tempe, Mesa, Florence, Winkelman and other cities in or near the Salt River valley. Supper will begin promptly at 7 o'clock in the evening. It is the wish of the members of the local lodge to make the picnic so successful that it will be repeated annually, and therefore all members are requested to attend.

VACATION TOPIC OF HIGH SCHOOL P. T. A.

The vacation period of the high school girl and boy will be discussed by Mrs. Fred W. Smith Thursday at the last meeting of the High School Parent-Teacher association for the year. Following the talk by Mrs. Smith there will be a general discussion of the subject.

The aim of physical training for the coming year will be outlined by Miss Margaret Mae Hurley, instructor, while Miss Ethel Rosenberry will report some phases of her work with the high school girls.

Mrs. J. L. B. Alexander will preside.

More than 75 per cent of the youths of France, 20 years of age, are subject to military service.

War between Costa Rica and Panama, growing out of the present boundary dispute, will not be tolerated by the United States.

PHYSICAL TRAINING IS TO BE A FEATURE OF GUARD ENCAMPMENT

Physical training holds equal importance with military training in the program of the Arizona National Guard, an officer of one of the Phoenix companies declared yesterday. The annual guard encampment, to be held this year at Camp Harry J. Jones, Douglas, starting May 23, will afford guard members splendid opportunity for physical development, he said.

The encampment will afford the men a wonderful outing, a change from the usual routine of life. They will be under the supervision of army officers throughout the 15 day period. There will be hours for work, for instruction and for play," he said.

The pay for enlisted for the encampment ranges from a minimum of \$2 a day to \$5.20 a day. Besides this, they will receive transportation, clothing, meals, quarters and medical attention free. Men who enlist today will receive the same pay as those who enlisted a year ago—provided they have the same rank.

A guard recruiting stand will be established at Mason's Pharmacy, 146 East Washington street today. Lieut. Sam Holsinger, Co. D, 158th Infantry, will be on the job from 11 o'clock this morning until 5 o'clock this afternoon to enlist men between the ages of 18 and 45 years who care to go to the annual encampment.

Enlistments will be made in Co. A or Co. D or in the proposed headquarters company, it was announced last night.

STANFORD CLUB TO ENTERTAIN SENIORS

The senior class of the Phoenix high school will be entertained en masse by the Stanford club tonight at a general "jolly up" party and dance at the Woman's club. The affair will begin at 8:30 and will be the first of a series of annual events.

Members of the Stanford club have been busy with plans for the "jolly up" all week, and it was announced last night that everything was in readiness for one of the biggest dances of the year. In addition to the dance program there will be a number of special numbers. Refreshments will be served.

Alumni and former students of Stanford university are especially requested to attend "jolly up" tonight. Every member of the senior class is expected to be present.

JUDGE D. H. PINNEY, ON BENCH HERE IN '80'S, DIES IN EAST

Judge D. H. Pinney died yesterday in Chicago, Ill., at the home of one of his children. His death was due to a general breakdown, which came upon him two years ago. During the past eight months he has been confined to his bed most of the time. He was 84 years old.

Judge Pinney was a resident of Phoenix from 1882 to 1888, when he was appointed to the bench in Arizona by President Arthur. He was the last judge to hold court in the old adobe court house, and the first one to occupy the present brick structure.

During that time he presided at the trial of many important civil and criminal suits; among the cases tried were several election contests, and old timers are a unit in saying that he never allowed politics to influence his decisions in the least.

Previous to Judge Pinney's appointment to the bench in Arizona he practiced law in Joliet, Ill., where his oldest son, William L. Pinney, was born, following Judge Pinney's marriage to Mary A. Lee of Albany, N. Y. William L. Pinney has been a successful merchant of Phoenix for many years.

During his residence in Joliet the judge represented his district in the Illinois state legislature several years. His first wife dying in 1872, Judge Pinney married Elizabeth Bowman of southern Illinois, who now survives him, living with her daughter in Chicago. Of this union there are three children: Dr. Harry B. Pinney, a prominent dentist of Chicago; Rev. Sidney B. Pinney, pastor of the Presbyterian church of Mauston, Wis.; and Mrs. Robert J. McGill of Chicago.

After leaving Arizona the judge practiced law for many years in Chicago, and finally retired to his farm in Michigan, where he lived until a couple of years ago, when the sickness came on him which finally resulted in his death.

MRS. J. H. WILLIAMS U. D. C. PRESIDENT

Mrs. J. H. Williams was elected president of the Robert E. Lee chapter, Daughters of the Confederacy, at a meeting held yesterday afternoon. Mrs. Williams' experience in club work and in politics made her a much sought candidate for the office which she was chosen to fill by the unanimous vote of the members. An executive of considerable ability she will have splendid support from the executive board as well. Mrs. H. B. Pryor was elected first vice-president; Mrs. W. E. Havens, second vice-president; Mrs. F. H. Kyle, recording secretary; Mrs. George A. Olney, corresponding secretary; Mrs. B. M. Atwood, treasurer; Mrs. H. B. Holzworth, custodian of the cross; Mrs. Hosea, assistant custodian of the cross and Mrs. H. H. Lacey, registrar.

The annual business meeting was held at the home of Mrs. B. M. Atwood, 116 North 18th avenue. It was decided to continue the meetings throughout the summer, with a social session on June 3 in the form of a picnic at Eastlake park. The guests of honor will be the Confederate veterans and the Dixie Chapter, U. D. C., of Tempe.

TENT CITY IS BEING BUILT AT FLAGSTAFF

The opportunity has come for Arizonians to get accommodations to spend the summer months among the pines and lakes of Northern Arizona.

The weather in and about Flagstaff is ideal during the summer, and along with the weather there is hunting, fishing and the sports that one can find in the mountains. Flagstaff welcomes all, if only for a short visit. Mr. Becker and Mr. Stevenson, both hustling merchants of the northern city, have leased a plot of ground in the center of the residential section of the town and are placing tent city in the heart of the city. Every member of the senior class is expected to be present.

MOTOR CAR THEFT CASE IS AFFIRMED

An opinion by the supreme court yesterday affirmed a judgment of the superior court for Cochise county in the case of the Arizona Mutual Auto Insurance company, appellant, against the Bisbee Auto company, appellee.

The appellant had insured a car belonging to the appellee, and when it was stolen, suit was brought against the insurance company under the theft clause of the policy of insurance. Judgment was taken by default.

The appeal was based on several grounds: on the fact that service was taken on the company's agent at Bisbee, Bruce Perley; on various other alleged irregularities in procedure and on the fact that the case was tried before Judge McAllister, then superior judge of Graham county, it being the contention of the appellant that the superior judge of Cochise county was not disqualified.

All the other assignments of error are reasoned away, but as to the right of the judge of the county to call in another judge, the opinion finds no bar. Besides, it is cited that no objection was raised by the appellant at the trial, and the presentation of the case to Judge McAllister.

Charles R. Forbes of Seattle was recently appointed director of the bureau of war risk insurance, succeeding R. G. Cholmeley-Jones.
